

BIG FAMILY CHALLENGE

The Goal:

- To gather the family and come up with a creative re-telling of a bible story. Your retelling could be done by acting out a story, setting up stuffed animals to show the scenes, stop motion videos of characters, or any other fun way you can come up with to film the story!

The Instructions:

- Start by picking a story to share (you can use the list below to find one that fits your ideas or flip to the table of contents in your bible to pick out your own!)
- Have everyone read the story and come up with their own understanding of it. (There are two worksheets attached to this that can help you work through the story!)
- Once you have read and talked through the story, decide how you want to portray it. You can gather props and use toys as “extras” if need be. You can even come up with costumes!
- Practice your roles and get ready to film! Record your scene and send it to me at jessi@lcrmarion.org
