Seeking A/V Technology Volunteers

As we continue with online worship, we are looking for teams of volunteers who would be willing to be trained on how to livestream our worship services. Because the technology booth does not allow for proper social distancing, we are looking for groups of at least two people to work in the booth - ideally, three - who are quarantining together and would be available on Sunday mornings. We will also need a camera operator (left) who will be located on the sanctuary floor. We hope to have enough teams to have a monthly rotation.

Water Bottle Ministry

The LCR Water Pantry has been very popular with our park friends. If you are able, we could use donations of either water bottles or monetary donations. You can drop off your water donations at the church, or send us a check with "Water Pantry" on the memo line. Thanks for giving the thirsty a drink!

Marion Cares Backpack Program

THANKS to all those who either purchased & filled backpacks or donated money! LCR provided a total of 34 backpacks to local students. We send them with our prayers for a blessed school year.
