# Holiday Giving Project

LCR Family - thank you for your generosity to the Holiday Giving Project! We are especially grateful this year to be able to help those who would otherwise not be able to have gifts for Christmas. If you would like to help by purchasing a gift, please call the church office or stop in and talk to Emily. Each item has a note about whether the family prefers the gifts to be wrapped or unwrapped, or if they do not have a preference. Please securely attach a tag with the family number and the person the gift is for (ex: Family #39, Sixth Grade Boy) before you bring the gift to the church. Please bring the gifts to the church by Sunday, December 13th.

If you would like to help by donating money to purchase gifts, please mail or bring your donation to the church, and note that it is for the Holiday Giving Project. If you would like to donate money, please bring it in by Sunday, December 6th, so we can purchase the items.

Thank you so much. Please let us know if you have any questions - (319) 377-4689.
