We have all spent a lot of time with our families in the past year, and for each of us that has looked a little different. As we return to Sunday School this fall, we are going to be talking about some of the families in God's story and take a look at how through everything we are all a part of God's family.

Unit 1 - Isaac & Rebekah

The story of Isaac and Rebekah, and their children, is full of unconventional family relationships. In the middle of all of their crazy, we can see God's love and trustworthiness unfold!

Unit 2 - Baby Moses

The story of Moses begins when he is a baby, and born into a time where being a part of a family wasn't always easy. But as Moses grows up, he learns his special place among God's family!

Unit 3 - Christmas

After Thanksgiving, we will look towards the New Testament and talk about Jesus and His family, and how we fit into it too!

SUNDAY SCHOOL EXPECTATIONS:

- Sunday School runs from 9:40-10:25 each Sunday
- All students must be checked in and checked out by a parent or guardian (or sibling aged 16 or older)
- All students and volunteers will wear masks during Sunday School until further notice, thank you for your cooperation!
