FALL SPEAKER SERIES

Diana Butler Bass coming to LCR

The Living Legacy group is proud to announce that through your generous gifts we will welcome Diana Butler Bass to LCR this fall (November 4 & 5). Diana Butler Bass, Ph.D., is an award-winning author, popular speaker, inspiring preacher, and one of America's most trusted commentators on religion and contemporary spirituality. Diana's passion is sharing great ideas to change lives and the world - a passion that ranges from informing the public about spiritual trends, challenging conventional narratives about religious practice, entering the fray of social media with spiritual wisdom and smart theology, and writing books to help readers see themselves, their place in history, and God differently. She does this with intelligence, joy, and a good dose of humor.

Be on the lookout for a book study this summer and more information to follow.
