

Let all that you do be done in

1 Corinthians 16.14

November 2024

Dear Members and Friends of
Lutheran Church of the Resurrection,

We are indeed blessed with the gift of love! Your gifts of time, talent, and resources have continued to bless our church, our local community, and the world at large in 2024. We love by creating a warm and inviting space to meet to strengthen our faith and build our community. As we look to 2025, we can live out our faith and love through the care and maintenance of our facilities and grounds and through outreach initiatives, like Neighborhood Nights that let our light shine. LCR needs your help to continue and grow the ministries of our church and to spread love throughout our community.

In the spirit of “Let all that you do be done in love,” you’re invited to:

- 1, Review the enclosed brochure highlighting how your loving support has helped LCR and our partners in 2024, our plans for 2025, and information on multiple ways to give during this appeal.
- 2, Prayerfully determine your level of financial support, considering how you can express your love through giving.
- 3, Complete the Commitment Form and the Simply Giving Form (if applicable). A digital Commitment Form is available at LCRMarion.org and may be submitted there. We also encourage you to consider a one-time gift to The Churches of Marion Food Pantry, an important partner that serves the needs of the hungry in our local community.
- 4, Return your Commitment Form on or before Celebration Sunday, November 24, as an act of love for our church community..

All LCR ministries are supported by a single General Fund. We ask you to prayerfully consider increasing your General Fund financial support in 2025 to enable increased ministry at LCR and with our mission partners. Your commitment will be viewed only by our financial secretary, Joan Meyer, in the strictest confidence.

Thank you for your generous and loving support of the ministries of Lutheran Church of the Resurrection and our mission partners. Remember, let all that you do be done in love.

With love and gratitude,

Sara Provolt

Treasurer
