Lenten Love Offering – Augusta Victoria Hospital in Jerusalem

Augusta Victoria Hospital (AVH) stands as a beacon of medical excellence, offering a wide array of healthcare services since its establishment in 1950. It is operated by the Lutheran World Federation (LWF). Located at the top of the Mount of Olives in East Jerusalem, AVH is one of six specialized hospitals in the East Jerusalem Hospital Network, which has contributed to the development of the Palestinian health care system and the education of healthcare workers and specialists. Its specialized services include comprehensive cancer and diabetes care, kidney care and dialysis, skilled nursing, and long-term care.

Licensed for 171 beds, AVH is the second largest hospital in East Jerusalem. It has become a hub of the community with specialties in pediatric care and the ability to reach beyond its walls with outreach programs, education, and Mammography and Diabetes mobile clinics. The terror attacks in Israel since October of 2023 have had dire implications for children and elderly patients especially, who have not been able to reach AVH for their treatment and care.

Two years ago, our Holy Land pilgrims from LCR visited AVH, met with the Lutheran World Federation Director in Jerusalem, and heard how AVH is an important Lutheran ministry of hope, love, and compassion in a place that is often subject to heartbreak and lack of care.

Our Simple Soup Suppers during Lent give us the opportunity to share an offering with an organization doing God's work in the world. This year our free-will donations will go to AVH.

Our Living Legacy Fund - through your generous support - will be matching up to \$2,500 for our Lenten offering to Augusta Victoria Hospital.

Augusta Victoria Hospital, owned by the Lutheran World Federation, on the top of the Mount of Olives, has been a beacon of hope to refugees and the sick and their families for 75 years.
