Lutheran Services in Iowa -- Big Impact where it's needed!

Loving your neighbor is more than just words for Lutheran Services in Iowa. For instance, we all know that growing up can be difficult for any child. But struggling with a serious behavioral or emotional disorder can make it even more difficult to thrive. LSI's Behavioral Health Intervention Services team wraps care around a child's entire family to empower them with skills like anger management, healthy decision-making, and problem-solving. LSI is an affiliated social ministry partner of the Iowa congregations of the ELCA (Evangelical Lutheran Church in America) and a member of LSA (Lutheran Services in America). This is faith in action! Please lift up all the good people at Lutheran Services in America as they live out their love of God and neighbor!

Resurrection has the best volunteers and donators!
