VOLUME 66, ISSUE 10 | OCTOBER 2025

*They said to each other, "Were not our hearts burning within us while he was talking to us on the road, while he was opening the scriptures to us?" Luke 24:32*

3...2....1....Lift-off! My voice would shout over the Mojave Desert as the model rocket I had painstakingly built shot up into the sky. The launching was the easy part. If all went well, the parachute deployed, and you would then run as fast as you could to recover the rocket and launch it all over again.

Now I didn't know the chemistry behind those launches, but it was the electric current heating an igniter wire, which then chemically reacted with the rocket's solid propellant (black powder), initiating a vigorous combustion reaction. Newton's Third Law being played out in my back yard, every action generates an equal and opposite reaction, resulting in the upward thrust that propels the rocket skyward.

This fall we are introducing our Stewardship theme: IGNITE! The disciples above felt as though their hearts were burning, and this propelled them to action as they ran back to Jerusalem to proclaim that Christ had been raised from the dead. We are praying that the Holy Spirit might ignite a similar response in all of us here at LCR. That the Good News of Jesus might have a 'reaction' within our hearts and propel us to be God's people here at LCR and beyond. Stewardship is much more than just looking at our financial giving, it is about our willingness to let Jesus set our hearts on fire!

When I was launching rockets in the desert, I didn't always know what would happen, where it would land, what corrections might need to be made; but it always filled my heart with joy and wonder to see them fly. 3...2....1.... Let's be the church together! Let's see how high and how far God might take us as we ignite our faith.

Peace! Pastor Jeff

## **Reformation Day Worship - Sunday, October 26 - Wear Red!**

Every year the last Sunday in October is celebrated as Reformation Day!

It was on October 31, 1517 that Martin Luther nailed his 95 Theses to the church door in Wittenberg Germany. The color of the day is red to remind us of the ongoing work of the Holy Spirit that calls, gathers and enlightens people in every generation. Reformation day is not so much a day to lift up being Lutheran, as it is a day to celebrate the freedom we have in Christ and the amazing grace that is given to us. The mottos of the Reformation were: *Christ Alone, Faith Alone, Grace Alone, Word Alone*

## **God Our Provider**

In 1 Kings:17, Elijah asks a poor widow to bring him some bread. The widow explains that she barely has enough flour and oil to feed her family one final meal. Elijah prophesied that the oil and flour would never run dry. By faith, the widow brings Elijah a loaf of bread and miraculously, the flour and oil continue to provide food for the family. This is one example of many in the Bible illustrating God's ability and desire to provide.

Though I have only been at LCR for 5 months, I have seen several examples of God providing for this church. Most recently, I was meeting with some other worship leaders and received a text from someone stating they couldn't play on a particular Sunday in October. This was the 5th individual I had contacted to play either bass or drums on our worship team during that month. A few minutes later, a musician at the meeting who I hadn't met before came up to me and said, "If you ever need a bass player at your church, let me know." In October, this new friend, Chris, will play bass at a few LCR services.

A few days later, Chris and I met for coffee. I learned he was starting a local non-profit to host worship events outside of the church. Chris was looking for an acoustic guitar player for a worship event, and I offered my services. The Lord does indeed provide! - *Ralph Kendrick, Contemporary Music Lead*

ONE TON GOAL in sight! As of 9/23, our Marion Food Pantry donation has **exceeded 1,800 pounds**. There will be vegetables to harvest until it freezes. Thanks to several members who have brought their excess garden produce as a contribution to our efforts.

Watch for worker needs when we put the garden to bed for winter. We'll need workers to: remove all plant material, drain the water barrels, do some fencing, haul and spread compost to top off existing raised beds, add peat to existing beds, build and fill four new raised beds, and add wood chips as needed for weed control. We anticipate doing this in the last half of October. Stay tuned...

### Socks & Undies Drive

# ADULT DISCIPLESHIP

## Women Of the New Testament: Rediscovering their voices

St. Luke may have been dripping with irony when he told us that the witness of the women to the resurrection seemed to the disciples to be nothing but 'an idle tale!' In fact, the salvation story of Jesus begins with extraordinary women (Elizabeth and Mary) and it is Jesus' interactions with women that lead to some of the Gospels most profound moments. Join us on Sunday mornings this fall as we lift up and explore the women of the New Testament. We'll look at those who are big names, and the nameless as well, as we explore the impact of women in the New Testament. This adult study meets in the conference room on **Sundays from 9:40 - 10:30 am**.
