Holy Week & Easter Worship
 This week is amazing! It's even more compelling when you can share it with others. Come to the church or watch us online.

Care Kit Assembly
 Care Kits are a really big deal for people whose lives have just been turned upside-down. Help us put together kits to be distributed through Lutheran World Relief. Thanks to everyone who donated supplies and/or money for shipping.

New Member Conversations
 If you've been involved at Resurrection and have been thinking of joining, come to **one** of our exploration sessions with Pastor Jeff to learn more.

PEP 55+ Hootenanny
 Singing is an awesome way to get happy! Come to the church on the 12th and sing along to all the old-time classic tunes :-)

Knitters & Crocheters
 Our knitters and crocheters are back on-site at LCR after 'a long winter's nap.' Join us on Thursday nights in the church lounge. If you've never knitted or crocheted before, we can show you how!
 Our woodcarvers meet at the same night and time. They meet in the Red Room and always welcome new people.

Bingo / Scrapbooking
 Bring the whole gang for bingo fun on Sunday the 12th. FREE for all ages, win candy bars! Scrapbookers and other creatives can come in on Saturday the 25th to work on their current projects.

Car Cruise-in
 Thursday, April 9th IF the weather is good.

Paving the Path Forward

Planning for the future at LCR

Walk with us as we create a roadmap for the future!

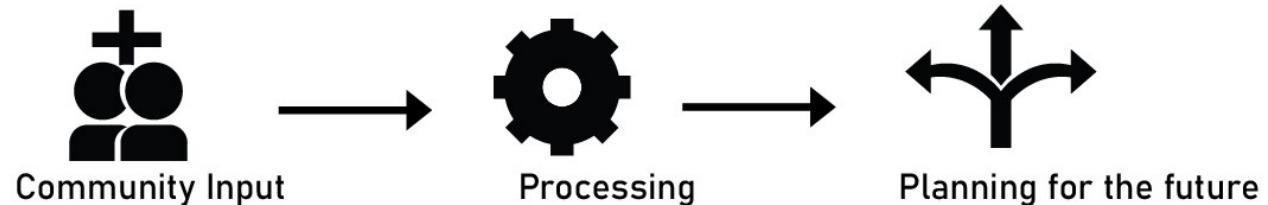

At LCR we are planning for the future of our ministry in a big way! Through a partnership with Martin Gardner Architecture, we are looking to create an evolving strategy and master plan for the future of our mission and ministry at LCR.

The Goal

We are grateful for what we currently have, but want to plan for the future! The aim of this master plan isn't to do any work on the building currently, but to create a roadmap to our future driven by the needs of our ministry. The master plan will seek to evolve over time as our ministry continues to grow and change.

Get Involved Today!

Church leadership and MGA team members believe that input directly from the LCR community is vital to the success of this process. Be on the lookout for opportunities to provide input around the various activities, functions, and interests of the LCR community!

Meet the Martin Gardner Architecture Team

For over 40 years MGA has been rooted in Marion and I've been attending LCR since my wife Kayla, a life-long member, and I got married in 2006. Our daughter Lauren is also currently in confirmation! While I've worked on many churches over my career, I see LCR as a church that takes the important step out into the community to uplift by creating opportunities for connection. As a dedicated member in the Marion community, I'm excited to see how LCR can best succeed in the future!
