

Service Hours

LCR Confirmation Ministry

Marion, Iowa

Name: _____ Date: _____

Guide's Name(s): _____

Number of Service Hours: _____

What type of service did you do?

Signature of Guide/Parent/or Organizational Leader:

Service Nights and Service Hours

The objective of service to others is to put faith into action. Students are to complete a **minimum of twelve hours** of service at LCR or in the community each year. Hours may be earned individually, with your family, with your Small Group, or as a part of Service Night. *See your Confirmation Orientation packet for more information.*

- Service completed individually must be done without pay and may not be counted if completed for another organization for which "credit" was given. The hours should be completed by serving those beyond your immediate family. It could be as simple as helping a neighbor with yard work or helping teach a neighbor younger basketball skills. *Your alternating service for worship (acolytes and offering assistants) is a separate commitment and does not count towards Service Hours.* However, other ways of serving through church do count; such as serving in the Nursery, through Sunday School or VBS, in a worship band, as a sound tech, in the café, etc.
- Please fill out these forms as you complete your Service Hours, and then turn in your sheets to your Small Group's file folder by the Welcome Window.
- Please also keep track of your Service Hours on your Confirmation Checklist, so that your checklist is ready to be turned in on May 1st, 2019.
